

Hello Greg,

8th May, 2017

I trust that you are well.

As you probably know our judging panel began the selection process last Friday. This is an ongoing process and for your region, we have come to a decision.

I am pleased to say that **Garsons Expeditions Day Trips** has been selected as our winner for:

Cultural Tour Company of the Year 2017

Congratulations, you were competing with many other companies and our judges recognise you as the most deserving of the award.

I've include a link below to our media pack which outlines our readership information, the whole nomination progression, judging and selection process as well as our ethics policy.

There is the simple matter of accepting the award. As mentioned in my earlier emails, it's free to be nominated and indeed accept the award.

Upon confirmation, I will send you the official winners badge for you to promote and explain the process moving forward.

Here is a link to last year's Africa publications to give you an idea of the different guide - <http://thawards.com/magazine/>

Kind Regards,

Stanley Lucas
