Dear Sue,

I hope you received my previous email congratulating you on your success in winning Tour Operator of the Year for KwaZulu-Natal in the Luxury Travel Guide Holiday & Tour Specialist awards.

The awards program selects winners based on their achievements and strengths in the travel industry. We received an overwhelming number of superb nominations this year and the judging panel had the unenviable task of selecting those firms, teams and individuals within each category most worthy of an award.

All winners of the 2016 Holiday & Tour Specialist Awards are subject to the same rigorous assessment criteria, carried out by our experienced in-house professionals as well as a number of celebrity guest judges. This ensures that only the most deserving teams, businesses and individuals walk away with one of these prestigious accolades. Award winners that have demonstrated success and innovation will gain a place in our soon-to-be published award winners' guide, which will be distributed to over 500,000 readers.

All of Luxury Travel Guide Award programs represent the pinnacle of achievement, championing the best in their respective fields, therefore to come out as a clear winner is an achievement to be proud of.

To assist you in celebrating your success each winner is entitled to a free of charge marketing package as detailed below.

If you have any queries then please let me know and once again many congratulations on your success!

Regards,
